

Coach Kate (Zenda) Santarelli Scholarship

Seacoast Swimming Association presents this monetary award to a team member that is graduating from high school and is continuing their swimming career in college or in a post-graduate year.

The book scholarship will be presented to the senior that best exhibits the qualities Kate Santarelli stood for:

- Exceptional trainer and complete team player.
- Dedication to their fellow Seacoast Swimming Association swim teammates.
- Dedication to and respect for the sport of swimming in general.
- Held in high regard by the coaching staff.

Swimmers do not need to be nominated for the award. The winner will be selected by a small committee. The award is not based on times or the number of events a swimmer swims in. The committee will base its selection only on the above criteria. The committee's decision is final. The award is a one-time monetary award in the form of a check to the winner and will be announced at the annual team banquet in May. The amount of the award will range from \$100-\$500 based on the amount of available money in the scholarship fund. SSA will donate a minimum of \$100 each year to the fund.

The committee reserves the right to have more than one winner or no winners in a given year.
