

1st Annual Seacoast Swimming Association Golf Tournament
The Links at Outlook, Route 4, South Berwick, ME
Thursday, October 6, 2011
8:30am Shotgun

Dear Fellow Golfer,

We are pleased to announce our first annual golf tournament to be held at The Links at Outlook Farm on Thursday, October 6, at 8:30am.

All proceeds from the tournament will benefit Seacoast Swimming Association, and a portion will be donated to the City of Dover "Save the Pools Fund". We are a non-profit organization that receives no state or federal funding. In order to make this program affordable for the Seacoast, the team relies on fundraising as a means for keeping costs down. Scholarships are also made possible through these efforts. Our mission is "to empower young people to be champions in and out of the water for a lifetime". Seacoast Swimming is a nationally recognized competitive swim team within the structure of USA Swimming. Seacoast participates in USA swimming competitions. During the summer season, Age Group swimmers participate in New Hampshire league meets and championships. During the winter season, they may also participate in Maine league meets as well.

Each player will have opportunities to win great prizes from our Hole In-One Contests. In addition, valuable raffles and other contest opportunities will be available. Sponsorship information of all levels is included in this packet. All sponsorships and donations are greatly appreciated.

Rain Date: Unfortunately, we cannot offer a rain date. The tournament will be held unless the club closes the course. Should this happen, all fees will be refunded.

For questions or further information, please feel free to contact Elaine Hayden: (207)451-8481 or Joan Anderson: (603)661-7821.

We look forward to seeing you at the Links on October 6th!

Sincerely,

Elaine Hayden & Joan Anderson
Tournament Chairwomen
